SECTION 6: APPLICANT SIGNATURE — I have read the Certification and Insurance Fraud Statement below.

Certification: I certify that I am electing coverage as an employee, or former employee, retiree, current or former dependent of an active employee, or retiree, and am eligible for group coverage under the terms and conditions of the group's contract. I make this election on behalf of all eligible dependents and myself. I understand that I am under a continuing obligation to notify the group of a change in my, or my dependent's, status; such change may result in a change of insurance status with Empire and that failure to make such notification may result in cancellation of the coverage by Empire.

I understand that if I become Medicare eligible while I am covered under this contract, any benefits I am entitled to under this contract will be reduced by any amounts paid by Medicare for those services, whether or not I apply for or submit a claim to Medicare.

I authorize any health care provider, health care payor or government agency to furnish to Empire or its designee all records pertaining to medical history, services rendered, and payments made regarding me or my dependents for use by Empire to administer the terms of my health benefits contract. I also authorize Empire to disclose such information to an Empire designee, my PCP and other providers, other payers, and the group contract holder, for purposes of continuity of care and medical management, disease management, health benefits contract administration, financial audits, and as otherwise required by law. The authorization in the foregoing sentence is valid for a maximum period of 24 months. If your Empire coverage remains in effect upon the expiration of 24 months from the date of this enrollment form, you may be required to reauthorize Empire or its designees to furnish all such records as described in this paragraph to the parties and for the purposes described in this paragraph for an additional authorization period. All statements and answers in this notice of election are true and are representations made to induce the issuance of the coverage. Any material misrepresentation may result in Empire's cancellation of coverage.

Insurance Fraud Statement: Any person who knowingly and with intent to defraud an insurance company or other person files an application for insurance or statement of claim containing any materially false information, or conceals for the purpose of misleading, information concerning any material fact there to, commits a fraudulent insurance act, which is a crime, and shall also be subject to a civil penalty not to exceed \$5,000 and the stated value of the claim or each such violation.

I certify each Social Security Number submitted is correct.
